New Zinc Smelter May Be Built At Donora

The Pittsburgh papers this morning say: The United States Steel corporation will build a new plant near Pittsburgh, probably at Donora, to manufacture zinc and by-products, at a cost of from $2,500,000 to $3,000,000, according to an announcement today by Chairman Elbert H Gary, of the directors. Operations will be started, if possible, on or before January 1.

Judge Gary's statement in part follows:

"We have for some years been considering the building of such a plant in order to supply materials for our own use. We have been buying of other manufacturers, but as there has been some difficulty, of at least, delay, in supplying our necessities, we have reached the conclusion to proceed this time.

"The markets for the products of the plant is largely in the Pittsburgh district, and for this reason and the further reason that it is a good point for the assembly of raw materials, we have selected this location."

Only when the European war forced the price of spelter up 15c a pound, or $320 a ton, did the project assume definite form.

A committee of engineers was sent to look over the Pittsburgh district. It was decided that such a plant was needed in this district because the bulk of the spelter users of the corporation plants were in the Pittsburgh district. This committee found a site nearer Donora more suitable. At Donora are the extensive plants of the American Steel and Wire company, blast furnaces and a battery of open hearth furnaces.

The Steel Corporation engineers will plan and build the works rapidly. Haste is necessary as stocks of spelter are getting smaller, and as long as the war lasts, it is expected that spelter prices will be almost prohibitive for galvanizing. Ore for the new smelter will be shipped from deposits owned by the corporation.

The establishment of this new industry for the Pittsburgh district, is regarded among steel men as the most important step that the concern has taken here since it built the great cement works at Universal, Pa. In each case the product has been a distinct departure from former products of the corporation, the idea being to get independent supplies of materials that are in tremendous demand by the corporation.

Civic Club Elect New Officers

The Women's Civic club of Monessen, met in the Trust Co. office Wednesday evening and effected a permanent organization. Mrs. John S. Duvall, temporary chairman, presided. In the absence of the secretary, Mrs. H. Lebowitz was appointed secretary pro-tem.

A constitution was adopted and permanent officers elected. The object of this club is to promote education and co-operation with the Board of Trade, a higher public spirit and a better social order. The next meeting will be held in September when definite work will be outlined.

The following officers were elected: President, Mrs. John S. Duvall; vice president, Mrs. H. E. Gress; Secretary, Mrs. G. H. Thomas; treasurer, Mrs. J. J. Cushing

Playground League To Be Formed

The Electric Park playgrounds are the mecca for hundreds of boys and girls each day and all are taking an active interest in their work. Anderw White, a local teacher, is in charge of the grounds and by his systematic arrangement, every child who visits the ground is given careful attention.

A playground league of base ball players will be organized and all captains and managers of the various boys' teams are requested to come to the Electric park grounds Saturday morning with a list of not more than twelve names with ages and weights of each boy.

Two leagues will be formed, for boys not older than thirteen and those from 13 to 16. Base balls, bats, masks and some gloves will be furnished by the playgrounds committee.

Rev. A. J. Wigley Ordained Into Priesthood 18 Years Ago

The L. C. B. A. held an open meeting and reception at the Ruthenian hall last evening, but the reception was in fact a surprise in honor of Rev. Father A. J. Wigley of the St. Leonard's church, the ladies taking this opportunity of celebrating his 18th anniversary into the priesthood. Over 500 people were in attendance and enjoyed a well prepared program and dainty lunch arranged by the ladies. The hall was beautifully decorated in white and gold, the association's colors.

During the evening's festivities a purse of $100 in gold was presented to Father Wigley, the presentation speech being made by Mrs. Ann Murphy. The gues list included many people from surounding towns as well as the following prominent L. C. B. A. officers: Mrs. Anna Mulvehill of Atlantic City, Mrs. A. Woods, Mrs. J. A. Mackentyre and Mrs. A. Kelly of Pittsburgh, and Mrs. Katherine Kelly of Cleveland. O.

The following numbers were included in the program: Piano Duet, Nell and Lois McMahan; Piano Solo, Cecelia Miller; Violin Trio, Wilma Landers, Beatrice Conway, Walter Scott; Solos by Edward Garnets, Elizabeth Lafferty, Katherine Nixon, Bella Bornstein, Josephine Tousche and Tom Preston; readings by Glalys Engle, Anna Currie and Mary Elizabeth Hussey. Short talks were given by Father Hogan of Pittsburgh, Father Maher of Roscoe and Fathers Healey, Wisnewski and Wigley of this city.

The members of the Speedwell Literary society presented a 20 minute sketch entitled "The Bachelor's Baby." The evening will be remembered as a memorable occasion, as it was one of the largest crowds ever assembled to pay respects to a priest and in addition to this, the L. C. B. A. members were signally honored with the appearance of the leading officers of the association

Twelfth Anniversary Of New Wedding

The Uneida club tendered Mr. and Mrs. C. R. New a pleasant surprise at their home on Reed avenue last night, the occasion being the twelfth anniversary of their marriage. The members of the club accompanied by their husbands, descended on the home ladened with good things to eat, and a pleasant evening was enjoyed. A theatre party was arranged for the Olympic theatre, after which the guests departed for their homes. Congratulations were extended to both Mr. and Mrs. New and the guests expressed their wish that they could all be present to celebrate their twenty-fifth anniversary.

—Saturday at the Olympic—In addition to six reels regularly, we have the fourth episode of "The Diamond from the Sky," already proven as one of the wonderful pictures, hair rais-

Lyceum Team Easy For Independents

The newly organized Independent base ball team played a practice game with the St. Leonard's Lyceum last evening, and despite the fact that only about half the regulars were in the lineup, had an easy victory by the score of 10 to 3. Underwood and Guder, who will do the bulk of the catching for the team during the season, acted as the battery last evening with Underwood doing mound duty.

Wilson formerly with Bellaire, O., held down first base for the locals with McDowell on short and Carlson, an end of last year's University of Pittsburgh team playing second. Savage was on third with Manown in left and Barnum and Hamilton, two Fayette City boys playing the other fields.

For the big game Saturday with the Allegheny Semi-Professionals, the team will be strengthened by Elliott, of Bucknell, Bails of Uniontown, Standich of Roscoe and Biddy Long of Bellefonte. Ryan or Hogg will twirl with Guder or Underwood behind the bat. It is posible that a parade will precede the game and with favorable weather the opening game promises to be a big attraction for the fans in the valley, as never before has such a strong aggregation of ball players been together to represent this city.

A New Discovery

Now comes the psychopathic laboratory of the Chicago Municipal Court, speaking through Chief Justice Harry Olson to the mayors of New York state at Troy, N. Y., and explodes the favorite "dry" argument that drinking alcoholic liquors excessively causes insanity. On the contrary. the laboratory sharks claim a man has to be crazy before he will drink to excess. "The laboratory has examined hundreds of chronic alcoholics," Judge Olson said, "and we have yet to find the first case where there was not at least a psychopathic constitution, epilepsy, dementia praecox, manic depressive insanity, or feeble mindedness as the basis, with the exception of a few cases where there was a physical basis, such as diabetes or tuberculosis, and the man was whipping up his flagging energy with alcoholic stimulants." Judge Olson claims the laboratory's investigations prove that the cause of excessive drinking will have to be removed before we can cure the drunkards. He said the state of Illinois spends 28.1 per cent of its total expenditures for charitable institutions, of which the mental, nervous and insane group make up 21.8 per cent.

Local Family Will Leave For Ireland

An interesting gathering of Englishmen met at the home of Mr. and Mrs. Robert Wilson at Sixth and Knox avenue last evening to bid farewell and Godspeed to Mr. and Mrs David Wilson and son who leave today for New York, bound for Kellyleigh, County Down, Ireland. They will leave on the U. S Steamer, St. Paul. which sails from New York on Saturday. Mr Wilson has been employed as a machinist at the Pittsburgh Steel, but in company with two other employes of the mill, Frazier and Haycock, have accepted positions in Ireland. They will receive transportation and $30 a week.

The evening was pleasantly spent with music and old country parlor games. A delightful lunch was served by the hostess assisted by Miss Elizabeth Wilson. Rev. Carson spoke extending to the departed ones, the wishes of those present. At the close of the evening those present sang "We'll Never Say Goodbye in Heaven."

Those present were Mr. and Mrs. James Greer and daughters, Mr. and Mrs. David Wilson and son, Miss Elizabeth Wilson, William Morton, Mr and Mrs Albert Agnew, H C Dunn and Miss Maude and Lillian Dunn, Victor, Jack, James and Lillian Wilson, Rev. Carson and A. Wilderspin.

Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

"PREDESTINED TO CRIME" IS PLEA TO SAVE SLAYER.

Lima, O., June 18—That his boy, who faces trial on Monday for the murder of Susie Coleman, was "predestined to crime" that the blame for the horrible deed which he committed lies in the generations before him, is the claim of James E Riddle of Lima, who has been making a lonely hunt for proof of his contention that imbecility ran in the family. When the boy, Dorrance Riddle, aged 25, is placed on trial on Monday for murder, the elder Riddle will present this claim as the sole defense.

Dorrance Riddle has confessed that he killed Susie Coleman, 17, whose body was found under an old boiler near the railroad tracks on April 15. The murder was committed the day before. In young Riddle's room were found a pair of shoes covered with blood and a pair of trousers, one leg of which was spattered with blood stains. A trunk almost filled with letters from a girl in Nashville, Tenn., was also found. The later missives indicated that Ridle had promised to meet her there soon. Under his dresser was found a mesh bag which was identified by the Coleman family.

The girl was brutally murdered and it was difficult to identify her body. The skull had evidently been crushed by a blunt instrument. The body was covered with bruises and finger prints and the girl's clothes were torn to shreds. Even the gloves on her hands were torn. There was found in the girl's room a note signed "a friend" which warned her that mysterious persons were plotting to take her life, and urged her not to leave home at night alone.

The father of the confessed murderer is a contractor and inventor. He claims that the boy was irresponsible, through violence and insanity in the families of his parents. He has made several trips to Chicago and other cities to build up his unique defense for his boy.

ODD BITS OF NEWS

Hillsboro, O.—Herman Morris and wife, while playfully struggling, knocked a pistol from the hands of a visitor, which was discharged. The bullet passed through Morris' body and entered the heart of Mrs. Morris, killing her instantly. Morris died shortly afterward.

Herndon, Pa.—Pretty pink toes and the ambition of a snapping turtle nearly caused the drowning of Mae Lesser, 18 years old. While swimming Miss Lesser suddenly disappeared beneath the water, and when dragged out, a snapping turtle was found clinging to her toe.

Seattle, Wash.—Miss May Stehle in charge of the cloakroom here, is unlappable. If she would take tips, she could make $2,500 a year in addition to her salary. "But," she says, "I would lose my self respect." The hotel management could, if it desired, fire Miss Stehle, and save her salary, and to boot, sell the cloak room "privilege" for $150 a month.

Wapakoneta, O.—A pebble, pinched between the pavement and an automobile tire, was hurled against a nearby plate glass window with such force that it pierced the glass in the same manner as if a bullet had been fired through it.

Kingman, Ind.—A colt has been born on a farm near Romney, which is minus his front legs. Where the right foreleg should be, there are two legs about six inches long. One of these has the foot of a dog and the other the foot of a calf. The animal is expected to live.

A NATIONAL CREED

The Chicago Herald suggests the following as a National Creed by which the men, women and children of America may affirm their Americanism:

I believe in the United States, one and invisible: in her mission as the champion of humanity—as the friend of the weak and distressed; in the singleness, dignity and inviolability of American citizenship; in the validity of our national traditions; in peace with honor; in friendship with all national traditions; in peace with honor; in friendship with all nations that respect our rights; in entering alliance with none; in reasonable preparations for national defense by sea and land; in shirking no sacrifice needed to hand down to the future the priceless treasures bequeathed to us by the past; in the necessity of keeping the western hemisphere free from the intrusions of European institutions and ambitions; in the capacity of free men for self government; in the love of home and country, and in the unflinching resolution that government of the people, for the people by the people shall not perish from the earth.

MEADVILLE WILL HAVE CELEBRATION TOMORROW

Meadville, Pa., June 18—The celebration of the 100th anniversary of the founding of Allegheny college in this city will begin tomorrow and will extend until next Thursday. Prominent alumni from all over the country will attend. The celebration will note the completion of President Crawford's 22d successful year. Another feature of the week will be the laying by Andrew Carnegie of the cornerstone of the new Carnegie Hall of Chemistry, to replace the building recently burned. The famous iron master will be accompanied by Mrs. Carnegie. The opening event will take place tomorrow in the form of a pageant, in which 400 students will take part. During the coming week there will be held an important conference of educators on the subject of the American College.

Comforting Words

Many a Monessen Household Will Find Them So

To have the pains and aches of a bad back removed—to be entirely free from annoying, dangerous urinary disorders, is enough to make any kidney sufferer grateful. The following advice of one who has suffered will prove comforting words to hundreds of Monessen readers.

Mrs. Ida Coleman, 311 Sixth street, Monessen, says: "I was troubled by a constant backache and in the morning, especially when I stooped to put on my shoes, I found it hard to straighten. Sharp pains took my breath away. I felt tired all the time and had dizzy spells and hot flashes. My head ached. I doctored for a long time, but didn't get much good and finally I got Doan's Kidney Pills which I got at Hirsch drug store. They gave me great relief and after I had taken the second box, the trouble disappeared. I haven't had any cause for complaint since. Others of the family are now using Doan's Kidney Pills and consider them the best kidney medicine on the market."

Price 50c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Coleman had. Foster-Milburn Co., Buffalo, N. Y.

Railroader's Death Was Accidental

Thursday morning Deputy Coroner W. J. Potts selected a jury of six men at the coroner's office at the court house, Greensburg, and took the testimony of three men who were present when Clyde Stewart was killed by a train on the tracks of the Pittsburgh & Lake Erie railroad in the yard at Monessen. The engineer and fireman testified that at 8:30 on the morning of March 7, 1915, while Mr. Stewart was attending to his duties as a brakeman and while passing across the walking board to throw a switch, he slipped and fell under the engine. He lived about one hour after the accident happened.

The jurors after a short deliberation found that Clyde Stewart came to his death accidentally while acting in the capacity of a brakeman.

Council held an adjourned meeting last night and passed two ordinances on second reading, establishing grades, and four sewer ordinances. The purchasing of a fire truck was again brought up, but the absence of one member made it possible for a tie vote and that's just what happened, four members voting for each of two machines. Council adjourned until the next regular meeting night.
